# SILENT AUCTION RULES AND PROCEDURES

## General Auction Rules

All sales are final. No exchanges or refunds on auction items are permitted. Auction items are not redeemable for cash. All items will be sold "as is". All auction items must be paid for in full by cash or check. In the event of any dispute between bidders, the Auction Chairpersons shall have sole and final discretion to determine the successful bidder.

By his/her purchase, the buyer waives any claims for liability against the Farquhar PTA or the donor of the property or services sold. The auction committee reserves the right to modify the terms of the auction items, including establishing the minimum bid and minimum bid increase amounts. Until such time as an item is sold, it is the property of the Auction Committee of the Farquhar PTA and can be used at their discretion.

## Silent Auction Bidding Procedure

Bid sheets are displayed for each item. Bidder is to **print** his/her full name, the amount of his/her bid on the bid sheet, and initial the bid. Minimum opening bid and minimum bid increase amounts noted on the bid sheet must be met. Each new bid must be written on the first available blank line on the bid sheet and may not be crossed out. Bids must be in round dollar amounts. Entering your bid obligates you to pay that amount for the item should you have the highest bid once the table is closed. The winning bid must reflect the minimum amount for an increase or it will be disqualified. Names must be legible or they will be disqualified. No bids may be entered once the designated table section is announced closed.

For each item, the person with the valid bid at the close of the auction tables shall be acknowledged as the purchaser by the auction committee. Title will pass to the purchaser upon receipt of payment to the Farquhar PTA. The purchaser thereupon assumes full risk and responsibility.

## Closing Procedure

The silent auction will close, section by section. Once an announcement is made for bids to stop for the identified table section, all bidding must stop promptly. The Auction Room will close to the public from 9:00 p.m. to 9:15 p.m. By 9:15 p.m., winners will be posted according to the item number and winner name. Winners can pay for and collect their item(s) at the close of the auction.

## Payment Procedure

After checking listing of winners, please return to the auction room to pick up your auction items. Cashiers will be in the auction room to collect payment and distribute items. Payment is accepted by cash or checks made payable to "**Farquhar PTA**". *No credit cards accepted.* Payment in full is required before items can be disbursed. If you have asked someone to pay for and pick up your merchandise, you must have noted this in writing and given the note to the Silent Auction Chairpersons. Please pick up items no later than 9:30 p.m. on the date of the event.

## Late Pick Up

Please make every effort to pick up your merchandise on the date of the event. Winners who do not collect their merchandise on the day of the event will be contacted by the Silent Auction Chairperson to make arrangements for item pick up. **Items not picked up by Wednesday, March 23rd will be awarded to the second highest bidder.**

## **Tax Considerations**

While some goods are subject to the 6% Maryland Sales Tax, the Farquhar PTA will make payment of any sales tax due out of the proceeds from the event. Therefore, individual purchasers will not pay sales tax. Federal law allows charitable deduction for items sold at the auction only to the extent that the amount paid is in excess of the value of goods and services provided. If your bid is less than the fair market value listed in this catalog and on your invoice, there is no charitable deduction allowed for federal income tax purposes. All values listed in this catalog are good faith estimates and were provided to the auction committee by the donor. Items deemed “priceless” do not have a dollar value. Your entire bid is 100% tax deductible.
